INTERNATIONAL
CONFERENCE & EXHIBITION
ON PALM OIL

Introduction

We are delighted to welcome you to the 8th International Conference and Exhibition on Palm Oil 2024, a premier event dedicated to advancing sustainability and innovation in the palm oil industry. This year's conference, with the theme "Intensifying Sustainability through Innovation Toward Net Zero Carbon in Palm Oil Industry," promises to be a pivotal gathering of experts, stakeholders, and thought leaders shaping the future of the palm oil sector.

Scheduled to take place from May 21,22 2024, at the prestigious Jakarta International Convention Center (JICC), this conference aims to foster a comprehensive dialogue on sustainable practices, technological advancements, and strategies that lead us toward a net-zero carbon future. The palm oil industry plays a vital role in global agriculture and economies, and it is imperative that we converge to address the challenges it faces while maximizing its potential for positive environmental and social impact.

The theme of this year's conference underscores the urgency to intensify sustainability efforts through innovative solutions. As we strive to achieve net-zero carbon emissions, it is crucial to explore groundbreaking technologies, sustainable agricultural practices, and collaborative initiatives that can transform the palm oil industry into a model of environmental responsibility.

The 8'th
